

Dear Pledge Family,

Congratulations on taking the pledge! As you are aware, the pledge is to eat at least 4 family meals together each week to build lasting relationships and memories, while reducing the risk that your child will use alcohol or drugs. This campaign will begin December 1st, 2011 and run through February 29th, 2012. We aren't saying that your child will someday use alcohol or drugs, but wouldn't you do everything you could as a parent to minimize those odds? Not only are family meals important quality time for your family, but studies have shown that eating together at least 4 meals a week could reduce your child's likelihood to abuse drugs and alcohol by 50% according to the National Center on Addiction and Substance Abuse (CASA) at Columbia University. With open communication, stability and routine, children are less likely to use alcohol or drugs.

The benefits of committing to the "Got a Minute? Eat with Me" pledge:

- You will:
 - Receive a Family Fun Passport which allows you to free family activities in the community.
 - Receive a monthly e-newsletter which includes:
 - Tips on how to fit family meals into your busy schedule;
